Coaching Philosophy: My coaching philosophy is focused on the development of the whole player. I feel strongly that we need to focus on technical development of today's players with the goal of translating that development into the tactical ideas for the players use in competitive play.

Playing Experience: Former Soaring Capital Soccer Club Player. Two year player at Corning Community College 99'-00'. Two year player at Keuka College 01'-02'. Played at numerous international clubs and in tournaments in Germany, Brazil, and Norway.
