Coaching Philosophy:

- My first and foremost objective is to have every player learn to love the game with fun but challenging objectives to suit every type of players skill needs. I also want players to learn certain life lessons throughout their playing careers, as soccer can play a huge role and help develop players into all around great people. As coaches are teachers and role models to players, exuberating proper coaching tactics and philosophy can help inspire every player to be the best player and person that they can be.

Playing Experience:

- Fairport High School Varsity Soccer 2001-2003 (2003 Captain)
- Rochester Futbol Club 2000-2004
- Fredonia State Men's Soccer 2004-2007 (2006 & 2007 Captain)
